

Lubbock FSDO IA Seminar

At the request of the Aviation Community, we are conducting an IA refresher course seminar. The seminar will be held on February 8, 2012, from 8:00 AM until 5:00 PM, with an hour for lunch, which will be provided by Lubbock Aero. Donations to assist Lubbock Aero with the expenses are highly recommended.

Directions: The seminar will be held in the old "FAA Hangar #6", located between exit 8 and 9 on I-27, just off of North Cedar Ave on 302 East Edinboro Street. Due to parking restrictions, we have made parking arrangements with G&G Avionics (6002 N Cedar Ave) and Hub City Aviation (6004 N Cedar Ave). A shuttle service will be provided.

A message from the National FAASTeam Manager

Over 136,600 pilots earned WINGS credits last year. Will you, this year?
